1/ Introduction

It's our absolute pleasure to warmly welcome you into our family at Beyond Dance Project. Our team is thrilled to see many familiar faces return to the studio and even more excited to see some new faces join our community. We have created this one-stop handbook to hopefully shed some light on how things will run throughout the year as well as answer a lot of queries you may have before the year begins. While we would love you to take the time to read this information carefully and keep your handbook in a safe place to refer to as you need, don't forget that our friendly office staff are always here to help and will happily answer any queries you may have. Nothing is too big or too small, we promise!

2 / Studio Manifesto

To start us off, it's important to us at Beyond Dance Project that all members of our team share our vision, our purpose, and the philosophy that encompasses everything we do both in and outside of our classes. This is a vision that is shared and demonstrated by the directors, teachers and staff members at our studio and it is the driving force behind every interaction with our students and their families.

Beyond Dance Project is a place where kids of all ages, shapes and sizes learn to dance and perform. This is a studio where creativity, individuality and self-expression is encouraged and has a community of teachers, students and families who are passionate about performing arts. Our goal is to create a positive and happy experience for all of our students. We strive to nurture and develop talent, celebrate the achievements of all students, and inspire a love and appreciation of all styles of dance and the arts. We are committed to providing a safe and positive environment in which all students can feel empowered, comfortable, and free to express themselves.

Our overall mission is to encourage students to achieve their fullest potential, to support them as they grow artistically and academically, and to assist the growth of well-rounded individuals.

Our goals are to ignite the passion for dance, empower our youth, support their evolution through life, and encourage them to inspire the generations behind them.

IGNITE. EMPOWER. EVOLVE. INSPIRE.

3/Registration

Before lacing up those tap shoes, it's important that all students and/or parents – whether returning or new – fill out and sign your online registration form so we can ensure we have the most up-to-date contact details for you. This information includes your registration form, media release form (so we can show off photos and videos of our amazing dancers in and around the studios), and public liability/Insurance contract.

Registration at BDP is a completely online process. You'll sign up for a Parent Portal that you can sign into and keep up to date with whenever you'd like. Through the Jackrabbit Parent Portal you can enroll your child in classes and events, register for summer camps, pay fees, and keep dancer and family info current.

You can find the Parent Portal login on our website under the “extras” tab. If you ever lose your password, you can submit a new password request, or let us know and we can reset it for you. We recommend upon initially setting up your account, changing the automated password Jackrabbit assigns you to something you'll remember!

If your dancer is a current student at Beyond Dance Project, you'll receive priority and discounted registration for the next season. We open up class registration for only returning students for a designated amount of time to allow our loyal clients the opportunity to snag their spots first!

Our annual registration fee is \$85/student or \$150 max fee/family and must be paid in full prior to the commencement of classes. Make sure you get your payment in via your online Parent Portal, as failure to pay your registration fee in time may result in losing your place in the class. Returning Students receive a discounted registration fee to return the following season.

We encourage all of our students and families to try a variety of dance styles and we are more than happy to accommodate trial classes for existing students who are wanting to try something a bit different. Please contact reception if you would like to try a new class and we will happily schedule a quick meeting and fit you in for a trial (provided the class has not reached capacity).

4/ Communication

By now you have probably noticed that we are BIG on communication here at Beyond Dance Project. It is our promise to respond to all enquiries within 24-hours and we will never leave a query unanswered.

For convenience, our primary means of communication is the BAND app. It's a great way for us to keep in touch with a large number of people at once, so we encourage all families to join our closed Beyond Dance Project Recreational BAND group. This group can be found at <https://band.us/n/abadAcG5X9q8X> and will be monitored to ensure all content is appropriate and relevant. Important reminders, studio closings, class pictures & videos, and updates will be posted here.

For big announcements or sending lots of information, we contact you via email. You will receive important information via email so please ensure you have provided the studio with an up-to-date email address that is regularly checked. We are of course happy to include multiple email addresses per family if you would like your correspondence sent to numerous recipients.

In the infrequent case of urgent information (for example, unexpected class cancellations or performance changes), we will send an SMS and/or telephone to all families. So, for this reason, please make sure the mobile phone number you have provided to the studio is correct and up-to-date.

We are always happy to chat in more detail about communications you may receive from the studio, so if you need any clarification please don't hesitate to call us at 704-215-6652 to chat with one of our helpful team members.

To ensure the smooth, safe running of Beyond Dance Project and an enjoyable experience by all, below you will find our code of conduct. As always we are open to feedback, so if any of the requirements outlined below are unclear or concerning, please give us a call to discuss further. Following a formal meeting, we do reserve the right to dismiss or take disciplinary action on any students or parents who breach our studio's code of conduct.

Families who do not comply with their fee or costume payment obligations may be charged a late fee, and/or excluded from performances. External debt collection may occur when fees remain overdue and this will be at the expense of the client. Costume expenses are the responsibility of the parent, and costumes will not be issued to students with unpaid class fees.

No classes (including private lessons) or teachers are to be disturbed unless it is an emergency. Parents are not to approach teachers or students during class and if messages or food/drink/medication needs to be passed on to a student, it must be done through a Beyond Dance Project staff member. All parents must wait in the waiting area or outside of the studio until classes have been dismissed.

We are unable to take responsibility for our students before or after their scheduled classes and it is the responsibility of the parent to ensure their child is picked up and dropped off on time. In the case of an emergency or unavoidable delay, please contact the studio immediately to inform us of the situation so we can keep your child calm and safe until they can be collected.

Any questions or complaints must go through reception – parents and students are not permitted to contact Beyond Dance Project teachers via phone or email / social networking with studio issues unless it has been broached with the directors first. Personal meetings with the studio directors can happily be arranged via reception.

In the rare case of a parent or student showing disrespect or defamation to any parent, staff member or student, a meeting will be called immediately and dismissal may be considered at the discretion of the directors. Physical, mental, emotional or cyber bullying by parents, staff or students will not be tolerated and may result in dismissal from the studio.

Beyond Dance Project takes no responsibility for any stolen or misplaced property on the studio premises and we encourage our families to avoid bringing valuable items into the studio where possible. If your dancer leaves an item at the studio, check the lost and found basket in the cubby room.

Beyond Dance Project management reserves the right to change teachers or timetabling when necessary at any time throughout the year.

13/ Attendance

Your child's attendance in class is very important to their peers and our teaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the recital routines we create, it also impacts the social and confidence-building principals we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to holidays/vacations, commitments or school trips, please let us know ahead of time so the class impact is minimal.

If your child is too unwell to attend class, we ask that you inform our admin team as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed work.
